From Ripley: Once you get to the outer ring road in Ripon, turn right and go straight over the next two roundabouts until you go past the big Wolesley factory on your left. At the next roundabout turn left and then left again at the next 2 sets of traffic lights.

Follow the road down past the small primary school and round the right hand bend until you see the business centre on your right. Head through the black gates and continue straight on to the back of the centre. Please park anywhere in this area. Our unit can be found on the left hand side.

From the A1: Turn off at junction 48 for Boroughbridge and follow the signs to Ripon. As you enter Ripon, you'll go past the racecourse on your left hand side. Go right at the 1st roundabout, turn left at the 2nd roundabout and then left at the next two sets of traffic lights.

Follow the road down past the small primary school and round the right hand bend until you see the business centre on your right. Head through the black gates and continue straight on to the back of the centre. Please park anywhere in this area. Our unit can be found on the left hand side.

From the A19 North: Turn off for Dishforth and follow signs to Ripon.

As you enter Ripon, you'll go past the racecourse on your left hand side. Go right at the 1st roundabout, turn left at the 2nd roundabout and then left at the next two sets of traffic lights.

Follow the road down past the small primary school and round the right hand bend until you see the business centre on your right. Head through the black gates and continue straight on to the back of the centre. Please park anywhere in this area. Our unit can be found on the left hand side

If you are using sat-nav, it may send you via a ford which is usually very deep. I suggest you follow the ring road further round towards the city centre. Just head towards the cathedral and you will be very close.

Please just call if you get lost and I look forward to seeing you soon.
