How to find us

We advise that you print these directions. A sat nav may not find us and can send you through a river ford which we avoid for most of the year, especially if travelling in a small car. The ford can be very deep if it has been raining hard. The business centre is located in a residential area below Ripon Cathedral. Please do not hesitate to call if you get a little lost trying to find us.

From the Harrogate via the A61

Once you reach the 1st roundabout on the Ripon ring road, please turn right. Go straight over the next two roundabouts, passing the big Wolesley factory on your left. At the next roundabout turn left and then left again at the next 2 sets of traffic lights. You will pass the fire station after the 1st set of traffic lights.

Follow the road down past the primary school and around the right hand bend. You are now on Low Mill Road. Halfway along you will see a red postbox and the entrance to Phoenix Business Centre on your right hand side. Drive through the black metal gates and head to the right, through the gap between two buildings to arrive at the back of the centre. Please park anywhere in this area. Our unit can be found on the left hand side, usually with a selection of twigs and foliage outside!

From the A1 South

Leave the A1 at junction 48 for Boroughbridge and follow the signs to Ripon. As you enter Ripon, you will pass the racecourse on your left hand side. Go right at the 1st roundabout, turn left at the 2nd roundabout and then left at the next two sets of traffic lights. You will pass the fire station after the 1st set of traffic lights.

From the A1 North

Leave the A1 at junction 50 and follow the signs to Ripon. As you enter Ripon, take the second exit on the 1st roundabout onto the A61 Ripon bypass towards Harrogate. Go right at the next roundabout and then left at the next two sets of traffic lights. You will pass the fire station after the 1st set of traffic lights.

From the B6265 Pateley Bridge

As you enter Ripon go right at the mini roundabout. Follow the road and go straight across the traffic lights. Go straight over the roundabout at the foot of Ripon Cathedral and then immediately turn left down High St Agnesgate. This road takes you behind the Cathedral. Follow to the end and turn right at the T-junction. Follow the road round carefully. There are usually parked cars on the left hand side and drivers can race around the sharp left hand corner. After the corner you will find an old red brick wall on your left. Follow this along until you see the opening to the Phoenix Business Centre on the left.

We look forward to seeing you very soon.
